On Jan 6th will be our 1960's Civil Rights Fight all in one. We must go over 1 Million plus. The city will need several drones to count the crowd.

10 Million is still small, 20+ million is more like it. The US population has 12 million men alone that are age 25-32. More than 47 million republican men that voted (in 2012, more now). There are 161 million men in total.

Visually it looks something like this:

The entire US Military:

X

US Age 25-32 Men:

XXXXXX XXXXXX

US Voting Republican Men:

XXXXXX XXXXXX XXXXXX XXXXXX XXXXXX

XXXXXX XXXXXX X

US Males:

XXXXXX XXXXXX XXXXXX XXXXXX XXXXXX

XXXXXX XXXXXX XXXXXX XXXXXX XXXXXX

Let's form up outside and make ourselves known at the capital. Reminding them of their constituents is the best leverage we can give Trump during his negotiations.

10 My favorite movie. I've watched it several times a year since I was like 12 or 13.

25 I'm really hoping the buses are at the front. You need weight and momentum to get through police road blocks.

25 Just spray-paint "ACAB"/"BLM"/"ANTIFA" on the front of the vehicles and the police will escort you to your destinations.

8 Please inform me how you're going to nonviolently persuade police to dissolve the roadblocks. Objectively, we are breaking laws and mandates — but only because those laws and mandates, and the ones behind them, are peak clown world.

5 You presume roadblocks are there. Wait and see.

Cross that bridge when we get there.

Where there is a will, there is a way. Where there are a million+ wills, there are a Million+ ways.

Have you ever even studied a map of the circumference of DC? Count the roads in.

DC Police is 3,800 uniformed personnel. That is for everything. Day Shift Night Shift, Days off  all their bureaus and supervisors.

They do not have the man power to close off every street coming into the capitol on a weekend, when

they need people all throughout the crowds

1 They can call up the 1200-ish State Police for assistance, but still far, far too few to stop the train.

12 Dude. GO. If you can go, you need to be there.
▼
This is going to be a story you want to be able to tell for the rest of your life.
You don't want to say "I almost went, man."
It's just a 9 hour drive from the Detroit area.
ROADTRIP. You can
Or, fly into Arlington,VA (Reagan Nat'l Airport) and you are 3 miles from the Capitol, or just one subway stop away.

This is why I planned for alternatives. Going to Dulles, not DCA. Staying at the airport, not in the city, etc.
